High School "Grant" Application

High schools may choose to allocate, for another educational purpose (i.e., field trips, guest speakers, programs at school, educational materials, books, subscriptions, classroom supplies, teaching aids, and equipment), a portion of the annual scholarship amount earned through the LifeShare Scholarship Program. Educational grants must be paid in \$500 increments to vendors that have a current business relationship with the high school. The total amount of the grants must not exceed twenty percent (20%) of the total scholarship funds available and will reduce by an equal amount the remaining funds that can be used for student scholarships.
